

# Basic Hotel Reservation

## Basic Hotel Reservation

Button

The image shows a mobile app interface for "Hilton Hotels Reservation". At the top, there's a status bar with "ABC", "09:16 AM", and a battery icon. Below that, the app header shows the Hilton logo (a stylized '5' with a circle around it) and the text "Hilton Hotels" and "Reservation". The main content area starts with the label "Select City of Destination" above a "ComboBox" dropdown menu. Below this, there are two hotel listings, each in a white box with a black border. The first listing is for "Hilton Los Angeles Airport" with the address "5711 W Century Blvd, Los Angeles, CA 9004" and a price of "\$114", followed by a square button with an 'X' icon. The second listing is for "120 S Los Angeles St, Los Angeles, CA 90012" with a price of "\$100", also followed by a square button with an 'X' icon. At the bottom of the screen, there's a pagination bar showing "Page 1 | 2 | 3 | 4" and a bottom navigation bar with three items: "Home", "My Reservations", and "More...".
